

South Carolina MGMA is pleased to announce a collaborative effort with MagMutual to recognize one of our peers as the
Medical Practice Executive of the Year!

Once again, SCMGMA and MagMutual would like to recognize a healthcare executive who has demonstrated the proficiencies and skills promoted by our organizations. The recipient should be someone who has achieved noteworthy accomplishments and enhanced the strategic operational effectiveness of their employer and has demonstrated outstanding leadership abilities in their local SCMGMA chapter, the state SCMGMA organization, or the national MGMA during the past two years. We'd like to acknowledge a member of SCMGMA who exemplifies exceptional leadership and promotes quality health care delivery to patients.

Every SCMGMA Active member or Member at Large who are also members of the ACMPE (nominee, certified member, or fellow) are eligible for nomination. Their accomplishments deserving of recognition should be noteworthy achievements that represent the core leadership qualities promoted by SCMGMA and ACMPE. They should be easily identified by their example of professionalism, work ethic and compassion.

Our organization has many members who could rightfully claim this title and should be nominated accordingly. Presenting the honor as an annual single award should be a humbling experience for the winner and honorable acknowledgement for the nominees. Certainly, everyone should be motivated to strive for nomination. This award includes a \$2500 cash prize that should be used toward conference expenses or other educational endeavors. The winner and nominees will be acknowledged at Hilton Head during our 2020 SCMGMA Fall Conference during the Thursday luncheon.

Nomination forms must be received by 5:00 p.m., Friday, July 24, 2020. (If mailing by USPS, be sure to allow 3-4 days for delivery.)
